

Attention All Military-Connected Students!

As April is the month of the military child, the Fayetteville-Cumberland Youth Council (FCYC) would like to honor you for your strength, and for all the sacrifices you've made for your parents/guardians who serve our country. We invite you to attend our Military Child Appreciation Event on Monday, April 30th from 6:00 to 7:00 pm. There will be food, activities, and a short program to celebrate your resilience. You will receive a certificate and purple ribbon. Whether you are new to the area or a long-time Fayetteville resident, this will be a great opportunity to meet new people and learn about the impact you have in our community.

If you are interested in learning more about the Fayetteville-Cumberland Youth Council, we can get your information and get you involved in joining!

We look forward to seeing you,
