Re: NCCBSBM 1st Scholarship Application

Thank you all for approving our 1st Scholarship application. Attached is a PDF for additional use and remember we gave you a paper copy at the business meeting to get started.

The next step is to make sure students in your district apply by February 1, 2019 to be eligible for receiving a scholarship, information is on the form itself. The step after February 1st will be for the NCCBSBM Scholarship Committee to meet and select 3 students to each receive a \$500 scholarship. These winners will receive a Scholarship Award letter during their school's Award Day Ceremony. In the Fall, once enrollment is verified, NCCBSBM Scholarship Committee will send a \$500 check to the designated students.
