

Application for the AFCEA North Carolina Chapter's  
\$1,000  
***Science, Technology, Engineering and Math (STEM) Grant***

The AFCEA-North Carolina Chapter is pleased to announce our STEM Grant Program for 2020. AFCEA is a non-profit organization consisting of over 33,000 members worldwide and dedicated to supporting and promoting professional networking and development within the military technology community. In addition, we have a passion for promoting the development of our country's future science and technology leaders. The purpose of our STEM Grant Program is to enable teachers to purchase lab supplies, hardware, software, projectors, other equipment, sponsor robotics teams, etc. The goal is to enable teachers to implement a new project or capability to more effectively encourage the development of students in the science and technology disciplines. Last year, our chapter awarded 9 \$1,000 grants to schools in the local Fayetteville area and 2 \$1,000 grants through AFCEA International's Gravely Grant program. Now is the time to apply.

***Rules:***

1. Complete the application shown below. Applications are limited to one per teacher.
2. Email the completed application to Georgia Popp, our STEM grant coordinator: [georgia.popp@gd-ms.com](mailto:georgia.popp@gd-ms.com). The email subject line should say "AFCEA grant application -- <your school name> "
3. Applications must be received by March 31, 2020. If you have not received a confirmation email, please contact Georgia by phone: 910-689-1227.
4. AFCEA North Carolina reserves the right to select the winners of the 2020 teaching tool grant program. Selection will be competitive, based upon merit, impact and applicability to the STEM fields. The number of grants awarded will be determined by our chapter's availability of funds.
5. Teachers and principals will be notified of their grant status prior to June 1st. Winners will be invited to a special grant presentation luncheon on Wed, August 5, 2020 at the Fort Bragg Convention Center, Fort Bragg, NC.
6. After receiving their grant, teachers are also requested to provide photos of their project being used in the classroom. This will assist our chapter in promoting this program among our sponsors and fundraising community. Photos can be emailed to the address mentioned above.

***Educators name and contact info:***

Teacher's name: \_\_\_\_\_ Phone: \_\_\_\_\_ Email: \_\_\_\_\_  
 Grade: \_\_\_\_ School: \_\_\_\_\_ County: \_\_\_\_\_  
 Principal's name: \_\_\_\_\_ Phone: \_\_\_\_\_ Email: \_\_\_\_\_

***Project info:***
